

NOTES

People don't care how much you know
Until they know how much you care.
Create a Culture of Commitment and Collaboration
Maximize Strengths and Natural Abilities
Lead People and Manage Tasks
Provide Structure and Support

"The leader is a teacher who succeeds without taking credit.
And, because credit is not taken, credit is received."
- Lao Tzu, 6th Century BC

Gail Ostrishko is best known for her high energy and infectious enthusiasm for helping individuals and organizations maximize human resource potential. Her dynamic experience as a facilitator, speaker, author and coach make Gail a powerful creative catalyst for nurturing personal and professional growth.

Connecting Relationships to Results!
